~ Judges Profile ~

David Fryer (Irton)

I was born in rural Shropshire more years ago than I care to remember, and have always been an outdoor type, by upbringing and inclination. My mother, originally from Preston, had the family holidaying in the Lake District as soon as she thought us old enough to appreciate the mountains. So it was that as soon as I could do so, I moved up to the Lakes, initially to the West Coast village of Seascale, and later moving closer to the hills at Irton, at the junction of the Wasdale and Eskdale valleys. Because of work and accommodation constraints, it was not until this move that we were able to have dogs of our own, but as soon as we were able, the hunt for a suitable dog was on.

Our specification for the ideal dog was that it should be able to walk with us on the hills all day when we wanted it to; be small enough for our bijou cottage, and to be of a suitable temperament to mix cheerfully with all and sundry.

Our first idea was for a Lakeland Terrier (given where we lived), but took the precaution of consulting our vet (we had a couple of cats). He was adamant that a Lakie would not do (the cats unlikely to survive); he suggested a Border, though he was unlikely to make much profit out of steering us towards such an intrinsically healthy breed.

So, we soon had our first puppy; found for us by a local breeder, from 'working lines' - who got the name of Ben. We soon found that one on his own needed company, so from the same breeder we got Nic, who had a lot of Dandyhow in his pedigree.

We were persuaded by 'our' breeder to show; starting at Dalston (near Carlisle) in 1984 - judge Ronnie Irving; and though Ben was unplaced, Ronnie had the interest and manners to advise me that 'his feet mightn't look so big with a bit of trimming'. Though we soon realised that neither Ben nor Nic were going to set the show world alight, we persevered, picking up a few placings but more importantly a

lot of good advice.

Taking this advice, we acquired the best bred bitch we could, with a view to breeding our own stock; and were then lucky enough to be in the right place at the right time when Mrs Sullivan was looking to place a promising dog pup; and so we had our first real quality in the person of Dandyhow April Fool, who became our first champion at the age of 19 months. He taught us a lot about showing, about quality and soundness; and also gave us quality puppies both from our own bitch and from other quality bitches. In the 30 years or so since then, we have made up 9 champions, and have never been without at least one Champion around the house; we currently have 2 at home.

Though we have been breeding and showing steadily through that time, we and our dogs still spend more time out on the hills than we do showing or grooming, so it should come as no surprise that I look for sound movement, good temperament, a proper weatherproof coat and a decent level of fitness above flashy appearance or creative grooming. The Breed Standard starts with the phrase 'essentially a working terrier'; the work it was originally bred for required it to be able to follow the hunt (and the hunt, in the Northumberland Borders, was typically mounted and operating over rough moorland) - under it's own steam - and be there, ready and able to go to ground to fox when needed.

I have been judging now, when invited, for 25 years or so; and have been awarding CCs since 2004. This will be the 6th time I have awarded CCs, and the second breed club championship show that I have done (and the second show I have judged for this club, having had a good day doing your open show about 15 years ago). I hope you will all enjoy my judging as much as I intend to; and, win or lose, I am sure you will appreciate the hospitality and atmosphere that this club always delivers at it's shows.

RULES & REGULATIONS

1. The Show will open at 9.30 am.
2. Dogs will be received at any time but it is the exhibitor's responsibility to ensure that dogs are available for judging when required.
3. Judging will commence at 10.30 am.
4. Exhibits may be removed from the Show after their judging has been completed. The Show will close half an hour after all judging has been completed.
5. The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Management.
6. Entry Fees: Members £10.00 First entry per dog; £3.00 each subsequent entry with same dog. Non-Members £12.00 First entry per dog; £3.00 each subsequent entry with same dog. Not for Competition: £2.00 per dog. Catalogues: £2.50 pre-paid with entries (£3.00 on the day). Advert in the catalogue: £10.00 full page; £5.00 half page (includes 1 photo). Membership: Single £6.00; Joint £7.00; Junior £2.50; Family £9.50.
7. There is no Prize Money on offer at this show.
8. The Committee reserves to itself the right to refuse entries.
9. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
10. The mating of bitches within the precincts of the Show is forbidden.
11. **Best Puppy in Show: From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in competitions are suspended.** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
Withdrawal from Other Competition: Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes prior to the competition for Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition.
Proviso: For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
12. **Best in Show: From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in competitions are suspended.** The dog declared Best in Show is a dog which had competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from the exhibits declared Best of Sex providing they are

unbeaten winning dogs. Reserve Best in Show must be selected from the Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.

Withdrawal from Other Competition: Dogs which become eligible for Best in Show may be withdrawn from all other competition, other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition.

Proviso: For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
16. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
17. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS**

FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

18. Not for Competition entries for Border Terrier ONLY will be accepted. Details of each dog (over 6 calendar months) so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Should a judge be prevented from fulfilling his/her engagement, the Committee reserve the right to appoint another to fulfil his/her duties. Exhibitors are at liberty to withdraw from competition but no entry fees will be returned.
21. The Committee reserves the right to refuse any entry and to exclude or remove any dog which, in the opinion of the Veterinary Surgeon, is not in a fit state for exhibition owing to disease, vice or any other cause, but no entry fee will be returned.
22. The Committee will not be responsible for the loss, detention of, or damage to any dog or other property whether arising from accident, or other cause whatsoever, or from any act or omission of itself, its officers, agents, servants or other, or damage done by the exhibits to any person or property. Parents are reminded that they are responsible for the actions and any damage done by their children within the environs of the Show.
23. It is a condition of entry that in the event of a cheque being returned for any reason by the Exhibitor's Bank or that of his/her agent the Club's charges will be levied against the Exhibitor.
24. Regulation F9 Exhibition of Dogs.
 - (a) No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
 - (b) The owner, exhibitor, handler or other person in charge of a dog at Kennel Club events must at all times ensure that the dog is kept under proper control whilst at the licensed venue including its environs, car park and caravan parks and approaches.

25. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
26. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
27. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
